A Note from the Administration:

Parents, Dismissal is one of the most important times in our day. We work hard to ensure that our 1100 plus students get to where they need to be safely. **We cannot take transportation changes over the phone, via fax, or via email.** This is a safety measure that we MUST enforce to keep your child safe. You must provide a written note in order for us to change your child's afternoon transportation. We hope this form helps.

If you are picking your child up and do not have a carpool number, you must come to the office and show identification before we will release your child to you.

All early dismissals/pick-ups must happen before 2:00 pm

Thank you for helping us to keep all children safe!
